 HACKENSACK, N. J., March 22.—  
 W. B. Mackay Jr. to-day received word  
 from Pittsburgh of the marriage, March  
 18, of Delta L. Thompson and Bert C.  
 Mackay, both former residents of Ridge-  
 field Park. The bride is the former  
 wife of County Clerk Charles F. Thompson  
 of Hackensack, who divorced her on  
 Nov. 6. They were married at the cor-  
 respondent Mackay was counsel for  
 Mrs. Thompson, who stoutly denied the

#### How to Get Rid of a Bad Cough.

A Home-Made Remedy That  
Will Do It Quickly—Cheap  
and Easily Made.

If you have a bad cough or chest cold  
which refuses to yield to ordinary reme-  
dies, get from any druggist 2½ ounces of  
Pines (30 cents worth), pour into a  
pint bottle and fill the bottle with plain  
granulated sugar syrup. Start taking  
a teaspoonful every hour or two. In 24  
hours your cough will be conquered or  
very nearly so.

The above mixture makes a full pint  
—a family supply—of the finest cough  
syrup that money could buy—at a cost  
of only 44 cents. Easily prepared in 5  
minutes. Full directions with Pines.

This Pines and Sugar Syrup prepara-  
tion takes right hold of the cough and  
gives almost immediate relief. It loosens  
the dry, hoarse or tight cough in a way  
that is really remarkable. Excellent  
for bronchitis, spasmodic croup and  
winter coughs. Keeps perfectly and  
tastes good—children like it.

To avoid disappointment ask your  
druggist for "2½ ounces of Pines"—do  
not accept anything else. A guarantee  
of absolute satisfaction, or money  
promptly refunded, goes with this prepa-  
ration. The Pines Co., Ft. Wayne,

## WALL STREET IGNORES REPORT OF RECEIVER FOR BIG STEAMSHIP LINES

Possible Action by Interna-  
tional Mercantile Marine's  
Bondholders Discounted.

The report that the International  
Mercantile Marine Company, which  
controls six of the big transatlantic  
steamship lines, and is backed by a  
coterie of the richest and ablest finan-  
ciers in the country, will go into the  
hands of a receiver on April 1 did  
not create a ripple on the Street to-  
day. In fact, the stock market was  
much stronger than at the close on  
Saturday.

The action to be taken by the hold-  
ers of the International Mercantile  
Marine's bonds has been anticipated,  
from all accounts. Loss of business  
and the tying up of the company's  
ships in consequence of the war made  
it impossible to pay the interest due  
on the bonds last October, accord-  
ing to Secretary Parvin of the com-  
pany.

"The conditions of the mortgage  
coupons," said Mr. Parvin, "give six  
months of grace for payment of in-  
terest on the bond issue, after they  
become due, and before the company  
can be declared in default. In  
October, 1914, the company was not in  
funds and availed itself of the condi-  
tions of the mortgage to accept the

six months' grace, the time limit of  
which expires on April 1.

"Only \$2,000,000 of the \$75,000,000  
bonds have been issued.  
"Application for receiver, or any  
action, must be taken by the holders  
of the mortgage and the action taken  
in a New Jersey court, the company  
being a New Jersey corporation."

Mr. Parvin answered in the nega-  
tive a question as to whether the big  
ship corporation would be forced in-  
to bankruptcy. He said that the  
company had done a good business,  
despite the war.

The Adriatic, which sailed Satur-  
day, carried 17,000 tons of freight,  
but with the Oceanic sunk and the  
Aquitania and Olympic tied up, the  
earning capacity was greatly de-  
creased.

The International Mercantile Marine  
Company controls the White Star,  
Red Star, American, Atlantic Trans-  
port, Dominion, and Leyland lines.  
Among its officers are such men as F.  
A. B. Widener, John L. Waterbury,  
E. J. Harwood, George W. Perkins,  
Charles Steele and F. A. R. Franklin.

## SHOT FROM DOLPHIN STOPS STEAMER IN BAY

Santa Clara Misinterprets Signals,  
but She Is Released After  
Hold-Up.

The American steamer Santa Clara,  
outward bound, was stopped to-day  
by a shot fired across her bows in the  
lower harbor by the dispatch boat  
Dolphin, stationed there to watch  
outgoing steamers and preserve  
American neutrality at this port.

The Santa Clara cleared for  
Havana. As she was passing Quar-  
antine she displayed signal letters  
spelling out her name. The Dolphin's  
lookout apparently thought she had  
hoisted the wrong letters.

As soon as the Santa Clara stopped  
a navy tug ran alongside and, after  
a few moments conversation with the  
steamer's captain, she was permitted  
to continue on her way.

## WOMAN GETS 10 YEARS FOR ATTEMPTED ARSON

Annie Bassett Is Sent to Auburn for  
Indeterminate Term, With Maxi-  
mum Nineteen and Half Years.

A sentence of from ten to nineteen  
and a half years in Auburn Prison,  
following her conviction of attempted  
arson, was to-day imposed upon  
Annie Bassett, fifty-five years old, by  
County Judge Parker in Brooklyn.

The woman had a dry-goods store  
at No. 1614 Fulton street and, accord-  
ing to the testimony against her, its  
stock of \$1,000 she insured for \$2,500.  
Early last Christmas morning fire was  
discovered in the store by a police-  
man, who managed to extinguish it.

Seven people, including a woman of  
eighty-two, were asleep at the time in  
the house over the store.  
In the rear room where the fire  
started two candles and a mass of oil-  
soaked rags and excelsior were found.  
In pronouncing sentence Judge  
Parker called attention to the fact  
that there had been fires in two other  
stores of hers, one in Myrtle Avenue  
and another in Knickerbocker.

This was the second trial of Annie  
Bassett, the first having been de-  
clared a mistrial.
